# Accommodation

## On-Campus Student Accommodation

Living on campus allows you, as a Summer School student, to take full advantage of campus life.

All students reside in HEC Paris dormitories, a step away from the classroom. Residential accommodation is included in your Summer School program fees. You will be housed in single room accommodation including a private bathroom and shower. All Summer School student rooms are equipped with small kitchenettes.

# How to apply?

## Applying is Easy

The online application necessitates official academic transcripts, short-essay questions, your CV, 50 € application fee and a personal statement (if applying for merit-based scholarship).

For all programs, proof of fluency in English is required. In certain cases, an interview may be requested.

## Apply Early

The application process is rolling and applications are accepted on a first come - first serve basis.

Contact [summerschool@hec.fr](mailto:summerschool@hec.fr) for further details.

The HEC Summer experience extends beyond the lecture halls. Summer students will get to know peers both inside and outside of the classroom.

# Fees

## Total program fees include:

- Tuition fees, on-campus housing, student card, sports access and extra-curricular on-campus activities.

## Program fees do not include:

- Travel to and from HEC Paris: required insurance, application fee (50 €), food, personal expenses and anything not listed as included.

Total Program Fees	
1 program (2 wk)	2,960 €
1 program if Accelerated Luxury Management (1 wk-option) with pre-program digital component	2,780 €
2 programs	5,500 €
3 programs	7,900 €

# Spend your **SUMMER** at HEC

## **Unparalleled Access to Leading Professors**

- › Intensive courses taught by HEC professors and leading professionals
- › Practical, hands-on approach as well as theoretical knowledge
- › Exposure to real business cases and interaction with leading guests

## **Our Campus Advantage**

- › Situated 20 km southwest of Paris and neighboring Versailles
- › Campus infrastructure offering vibrant student life and well-priced student residences (accommodation included in full program fees)
- › Extensive sports facilities and student venues on campus
- › Language lab and library with access to vast internal and external databases

## Sports

Sports are an important dimension of summer programs at HEC Paris. You will have access to indoor and outdoor sports facilities.

## Culture

The HEC Paris campus neighbors Versailles and falls at the back door of Paris, the “cultural capital of the world”. While weekdays will be devoted to academics, weekends are your opportunity to explore Paris and spend time with friends.
