

May 20th 2016

Conference « Make in India »

How France and India can make it for Aerospace ?

His Excellency Dr. Mohan Kumar, Ambassador of India in France,
Indian and French key executives will debate over two key questions :

Where is India standing on its « Make in India » business environment for Aerospace ?
How the French Aerospace & Aviation ecosystem can cooperate with India ?

The audience will be composed of HEC Alumni aerospace executives and members from Astech and Systematic clusters represented in India by Paris Region CCI's India Desk.
